

2024 Spring/Summer Vision Capital Campaign

June 2024

Dear Partner in Ministry,

On Tuesday, June 4th, we had an amazing meeting with a community partner regarding launching our Free Summer Youth Job Readiness Program for our SAYF – Significant Advancement of Youth & Families, a program that we've had a vision for as far back as 2018. We are on point to see this vision realized and be a blessing to our community. We've made so much traction in our outreach efforts with the many community partnerships and our work as the Violence Prevention Council Coordinator for the Chicago Heights Cluster (Chicago Heights, Park Forest, Sauk Village) under the Illinois Department of Human Services and the Office of Firearm & Violence Prevention.

So, it's no wonder the enemy tried to come in "like a flood" with water damage to our church basement on Tuesday night, June 4th when that thunderstorm hit our area. Although, the damage could have been worse, it was bad enough and we are seeking quotes to keep the issue from happening again.

We had previously delayed our Campaign and are now launching it this month. This is one of two campaigns that we conduct annually to supplement our tithes and offerings and support our building fund, violence prevention programs, Youth and family outreaches, events, and services. The other campaign takes place in the Fall.

***If 6 households donate \$1,000 or 12 households donate \$500 above their tithes and offerings, we will meet our minimum goal. Our household is donating no less than \$1,000.
Will you help us reach our minimum goal of \$6,000?***

We hope you will stand in faith with us and give your very best offering. Whatever that amount might be please bring it on Freedom Sunday, July 7th. (At the close of this year, we will once again recognize those who have helped to further our vision through their sacrificial giving. We hope you will be a part of that number.)
